## **Academic Service**

---

### **Non-academic Career Seminar**

2021-2023     Lead organizer

Initiated and organized informal informational interviews with early-career researchers in non-academic positions (PhDs in Ecology, Evolution, Behavior, and Conservation Science)

### **Field Guides**

2022-2024     Undergraduate Mentor

Mentored undergraduate students broadly interested in ecology, evolution, and behavior to help them find on-campus research positions, connect them with potential employers, help them apply to summer research positions

### **Bell Museum Summer Camp**

2024             Mentor

Taught kids learn about animal migration, reduced fear of math, introduction to using conceptual models to study the real world
